(before circle time, ask 2 children to build lego houses) | Lego bricks to build houses |
| 10.10 | Hello game, Aslan prayer  
Intro: Zaccheus said yes to Jesus, the rich young ruler said no. Today we’re going to think about how Jesus gives each of us a choice to live our lives trusting that all his advice is good, or to say ‘No, I'm going to do it my way, I don't need you’.  
Jesus told a story about 2 people building houses. One carefully built his house on a strong rock foundation and the other built his on sand. They both looked great, but when the rain and storms came, the one built on sand collapsed while the other house stood firm. He told this story as if these houses were people's lives. **Video wise man, foolish man**  
What do you think he meant? .......Rock foundation is following Jesus, sand is going our own way. When troubles come we will cope better if we have have underlying faith in Jesus.  
Demonstration:  
Use the lego houses built before circle time to demonstrate building on rock or sand. Put a brick in one bowl and sand in the other. Then pour water over each and see how the one built on sand falls.  
Song: **The wise man built his house upon the rock** (old song, but good lyrics!) | Ball for game
